Wine Cooler

DESCRIPTION

This Wine Cooler is one of our own designs. It is an unusual wine bucket/jardiniere in Oak, with hand beaten copper liner and copper bands, suitable for a pub, restaurant or hotel. The bucket can be screwed to the stand for use as a planter or be loose from the frame, filled with ice and a good bottle of Blue Nun...or am I showing my age? What more do you want!

AWC03L - Light Oak

AWC03M - Medium Oak

AWC03D - Dark Oak
