Farmhouse Slatback Chair

DESCRIPTION

Our beech framed Slatback chair is ideal for traditional pubs or more contemporary eclectic bars and cafes. The chair is available either with a polished seat or with an upholstered studded seat.

The chair can be finished in any of the Taylor's standard stain finishes or we can match your stain sample. All our stained chairs will be finished in the Taylor's method to give a individual feel to each chair. We can also paint/upholster the chairs to your specification.
