Rollback Dining Chair

DESCRIPTION

This is my own interpretation of a traditional Roll Back dining chair. It's really comfortable and gives a great dining position, suitable for

a pub, restaurant or hotel. I am particularly pleased with the details on the legs. The back has a crumb gap so it is nice and easy to clean. This oak chair is available in a choice of light, medium or dark oak finishes.

Our price is based upon the customer supplying 0.9 metres of fabric per chair. If you would like to use leather to upholster the chair please contact our sales office

CRP08L - Light Oak

CRP08M - Medium Oak

CRP08D - Dark Oak
