Panel Back 4 Seater Bench

DESCRIPTION

This is our 'armless' Panel Back 4 seater bench, which would look great in front of our pedestal tables in a pub, restaurant or hotel. It allows people to slide in and out. They can also be placed in a row down a wall. It is free standing with polished panels on the back so you can stand it in the middle of a room.

This product is available either polished or upholstered.

Our price is based upon the customer supplying 1.8 metres of fabric per bench. If you would like to use leather to upholster the bench please contact our sales office.
