## Brewood Twin Pedestal Table

---

### DESCRIPTION

Our Brewood Twin Pedestal Dining Table is made with a solid oak top and frame. The design is based upon an original late nineteenth century Arts and Crafts table that gives stability and style. The standard oak top is a plain planked style but we also offer cleated ends.

Our standard size is 1300mm x 750mm with a 22mm top but we can adapt manufacture to a wide variety of sizes including 1500x750 and 1800x750, so ask us for further details. This is 760mm high and will butt up against our other dining tables in your restaurant, bar or hotel.

We polish the table in our 3 standard aged colours but each table

will look slightly different as our finishing brings out the individual qualities of each piece of timber.
